ANAS AJAANAN

Student

➤ EDUCATION

After graduating from high school with the highest honors in the science and mathematics stream, specializing in mathematics and physics, I completed my first year of preparatory classes for engineering schools, majoring in mathematics, physics, and engineering sciences (MPSI). However, I eventually realized my passion for computer science and programming, and made the switch to the IT field.

➤ LANGUAGE

Native ARABIC.

Advanced FRENCH.

Fluent in English

➤ COMPUTER SKILLS

As a skilled Python and full-stack developer with a strong foundation in mathematics and physics, I bring a unique perspective to the world of IT. With a passion for computer science and programming, I am committed to continuously enhancing my skills and knowledge to stay on the cutting edge of the industry. Whether working independently or collaboratively, I am dedicated to delivering high-quality, innovative solutions that meet and exceed client expectations.
